SIR,

In forwarding herewith the voluminous records relating to the repairs of the Sri Shankareswaradevara temple at Halse in the Thirthahalli Taluk, received with the Shimoga Deputy Commissioner's letter No. Muz. L. C. 833/30-31 dated 18th November 1930 (copy enclosed) I have the honor to state as follows:-

It is stated that the temple building is in disrepair and that an estimate for Rs. 2795/- for repairing the building has been prepared by the Executive Engineer. It is seen from the ledgers of this office that the institution has at its credit over a sum of Rs. 108/-. The lease right of the Inam lands was put up for auction but the sale proved infructuous as the lands are situated in the midst of jungle. One Shingabhatta, the Vahivatdar of the institution, agrees to undertake the repairs of the building as per estimate of the Executive Engineer, if the sole Vahivat of the temple and its lands is left in him and his family permanently and he is excused from paying the annual reserve of Rs. 45/- fixed in the scale for a period of 80 years. He also agrees to keep the lands in good condition and to perform the services according to the prescribed scale. The records show that none else is willing to undertake the management of the institution and to execute its repairs. The Deputy Commissioner records that in view of the fact that the Vahivatdar has to spend Rs. 2795/- now for repairs, he may be excused from paying the reserve amount for eighty years. In the circumstances reported, the Deputy Commissioner's record is that the sole Vahivat of the temple may be left in the Vahivatdar.

and he be excused from paying the reserve contribution of Rs
for a period of eighty years may be approved//I solicit the orders
of Government in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

J. M. A. S. O. R. A. I.

and Muzrai Commissioner.

Letter No.Muz.1.C.833/30-31 dated 18th November 1930 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

I have the honor to state that the temple building of the Sri Shankareswaraswamivaru at Alsi in the Tirthahalli Taluk is in disrepairs and that an estimate for Rs.2795/- for repairing the building has been prepared by the Executive Engineer,. It is reported by the Amildar that the institution has not got funds at its credit, and that when the lease right of the inam lands was put up for auction, no body came forward with any offer, as the lands are situate in the midst of jungles. One Shingabhatta, the ~~midst~~ vahivatdar of the institution, who is in possession of the inam lands agrees to undertake the repairs of the building

the inam lands are not leased out to others and the sole vahivat of the temple is left in his and in his family permanently. He also offers another condition i.e. that he may be excused from paying the annual reserve of Rs.45/- for a period of 30 years in view of his having to spend Rs.2795/- now for repairing the temple building. The Amildar further reports that none else is willing to undertake the management of the institution and to repair the building and recommends that in view of the fact that the vahivatdar has to spend Rs.2795/- now for repairs. He may be excused from paying the reserve amount for 30 years.

As the temple building is badly in need of repairs, and as its repairs cannot be postponed till the Reserve amount accumulated, I recommend that the proposals of the Amildar may be sanctioned.

The connected records received from the Division Officer Shimoga with his report No.R.3.C.4 2-152/30-31 dated 6/14th November 1930, are herewith enclosed for reference and return.
